Name: Course: CSci 435/535

Student ID:

1. Question 1 will **not** be graded.

    i) What is your academic status and *long-term goals* (e.g. junior seeking PhD)?

        I am a senior considering graduate school, but weighing the option of
        joining the industry to decide my specialization.

    ii) What are your major(s) and minor(s)? (write your answer here)

        Major: Computer Science
        Minor: Mathematics

    iii) What is your preferred OO programming language?

    a. C++

    b. Java

    c. Other (specify)

    iv) How long have you been programming?

    a. More than 2 years

    b. Between 1 and 2 years

    c. Less than 1 year

    v) How well do you know OO programming?

    a. Very well

    b. So and so

    c. I do not know OO programming

    vi) How many lines of code have you written?

    a. Over 5,000

    b. Between 1,000 and 5,000

    c. Less than 1,000

    vii) Have you worked (at your work place or at school) in teams?

    a. Yes, in teams with 4 or more members

    b. Yes, in teams with 2-3 members

    c. No, I have not worked in teams

    viii) Did you work in a programming environment outside school?

    a. Yes

    b. No

    ix) Did you use any UML diagrams for designing software?

    a. Yes

    b. No

    ix) Have you used any version control system for software development?

    a. No

    b. Yes, SVN

c. Yes, GIT
d. Yes, Other (specify)

x) Have you use any bug tracking system?
a. Bugzilla
b. Jira
d Other (specify)   (None)

xi) Did you work with open-source software before?
a. Yes
b. No

xii) If you answered yes to the previous question, what was the largest software system (in terms of the lines of code) that you modified before?

xiii) Why do you take this course? (briefly write your answer here)

I want to practice working with a team, and take on challenging projects.
I hope this experience will leave me more prepared to enter industry coding environments.

xiv) Do you have any Android programming experience? How many years? How many apps have you written?

My only Android experience is the maze project in 301

xv) Who among the students signed up for the class would you like to be in your team?

Michael, Jackie, Maggie, Chaz, Isabella
